Our Policy

SOAR! respects the privacy of our online visitors. We do not require you to register or provide personal information to us in order to view our site. We gather personal data, such as names, addresses, zip/postal codes, email addresses, and phone numbers only when voluntarily and knowingly submitted by a visitor.

What we do with the information we collect? Do we share it with anyone else?

If you make a donation on line, we may occasionally send you postal mailings regarding our mission and programs. We will use your email address or phone number to contact you if we have a question regarding your donation.

From time to time SOAR! rents or exchanges its list of supporters with other trusted organizations to benefit our programs and activities. Only your name and postal address would be shared with other organizations. We are extremely selective in choosing the organizations we associate with in this manner. If you prefer that we NOT share your name and postal address or if you wish to modify the frequency of future communications from SOAR! please write us, call us at 202-529-7627, or email us at info@soar-usa.org.

We will use your email address to periodically send you updates, or to contact you about a specific request you have made. Individuals may opt-out at any time.
