Auditor's Responsibility

Our responsibility is to express an opinion of these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2014

Temporarily restricted net assets

SOAR! reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets

As of June 30, 2014, permanently restricted net assets represented a contribution of \$75,000 which is intended to assist in providing an annual grant in the name of Father Victor Yanitelli. These funds held for endowment are to be held in perpetuity with the intention that only the related appreciation may provide the support for program activities as identified by the donor.

Revenue recognition

Revenue is recognized during the period in which it is earned. Contributions are recognized in accordance with the provisions of Financial Accounting Standards Board Statement No. 116.

Expenses

Expenses are recognized by SOAR! during the period in which they are incurred. Expenses paid in advance and not yet incurred are deferred to the applicable period.

Functional allocation of expenses

The costs of SOAR!'s various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, supporting general and administrative costs have been allocated among the programs and supporting services benefitted.

Subsequent events

Subsequent events have been considered through December 29, 2014.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2014

Financial Instruments

Financial instruments which potentially subject SOAR! to concentrations of credit risk consist primarily of cash deposits and long-term investments maintained at credit worthy financial institutions.

Accounting standards use the following prioritized input levels to measure fair value. The input levels used for valuing investments are not necessarily an indication of risk.

Level 1 - Observable inputs that reflect quoted prices for identical assets or liabilities in active markets such as stock quotes;

Level 2 - Includes inputs other than level 1 that are directly or indirectly observable in the marketplace such as yield curves or other market data;

Level 3 - Unobservable inputs which reflect the reporting entity's assessment of the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk such as bid/ask spreads and liquidity discounts.

Investments recorded at fair value, consist of the following at June 30, 2014 :

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ <u>882,184</u>	\$ <u>882,184</u>	\$ <u>-</u>	\$ <u>-</u>

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from estimates.

Income tax status

SOAR! is exempt from federal income taxes on income other than unrelated business income under Section 501(c)(3) of the Internal Revenue Code and the applicable income tax regulations of the District of Columbia. SOAR! had no unrelated business income during the year ended June 30, 2014.
