“ You can be certain that each Sister will be offering prayers of blessing for you and your staff as this grant allows us to continue to avail ourselves of this convenience (an on-site health clinic). Given the aging status of the Sisters who live in the monastery, we consider this as more of a necessity than a luxury. We thank you for all you do to support the growing number of Aging Religious through the generous grants which you offer. ”

Sister Ruth Plante, OSBM
Provincial of the Benedictines of Ferdinand, IN
